Work Experience

Project Engineering Intern

Deloitte-Wardha, Maharashtra

Internship

May 2026 to May 2026

Completed the Deloitte Forensic Technology Virtual Experience Project through Forage, gaining practical exposure to data analytics and forensic technology. Analyzed large datasets, identified patterns and anomalies, and developed data visualizations using Python, SQL, Tableau, and Power BI. Strengthened analytical, problem-solving, and data-driven decision-making skills through real-world business scenarios and risk assessment tasks.
